

# The Dimmer View

by MAX GOODWIN

The proprietors of the Ace Drive-In Theatre are put out with us because we criticized them unfavorably recently after a group of juveniles were picked up at the theatre during a sheriff's raid.

Through one of San Diego's better attorneys, they are demanding that we print a retraction of the editorial . . . in particular the section in which we probably opined "the an invitation to immorality among our youth cannot be condoned. I wonder now why more complaints haven't been lodged."

The owners not only demand a retraction but they demand it be given a prominent position on the front page of our newspaper.

The theatre, by demanding that we reject our position, is inferring that we are the wrongdoers . . . that we are guilty of lawbreaking of some sort.

This quick switch is unwarranted and we resent it.

It is inappropriate, I think, for any business operator with a record of two police raids within six months to demand that members of the community refrain from criticism. Since youth activities for which his property was raided weakens the moral fibre of our community this is all the more reason why decent-thinking citizens should resist this attempt to repress opinion.

Let us say here that no newspaper wants to be sued. This newspaper is certainly no exception to that rule.

But we are open to compromise.

If the operators of the Ace Drive-In will clean up the mess they are permitting to exist in our community we will be pleased to use an article of equal space and of equal prominence to commend them for doing so.

Too often we hear complaints that our school facilities are not being utilized to the fullest extent. This is a fair statement but too often the complaint gives the impression that school people are unaware or not interested in his gripe.

Most school administrators are keenly aware of the situation and we were pleased to note that one, Melvin Grant, principal of Mt. Miguel High School, took steps to ease the situation recently.

He applied to Dr. Manfred Schrupp, Dean of Education at San Diego State with the proposition that State set some of its classes in the afternoon and evenings during the summer to release these teachers for high school work during the earlier parts of the day.

This appears to be a logical approach to the teacher shortage problem but State says it hasn't worked up to now. "(the) . . . only classes which have drawn adequate enrollments to justify them are courses required for credentials or for renewal" has been their experience.

"Because of the temperatures, late afternoon classes become somewhat uncomfortable, particularly for people who have spent the morning on the job," they add.

While we have the cool, afternoon sun beamed on Mt. Miguel we should offer some cogent, if not kindly remarks about the horseplay which resulted in the poisoning of two girl students there last week.

Two girls pilfered cup cakes from a student, an ASB officer at Mt. Miguel. He sprinkled poison, in the form of weed killer on some goodies because he had suffered similar losses from time to time.

The two girls who filched the doctored cup cakes were taken to Grossmont Hospital and had the contents of their stomachs pumped out, and have recovered . . . all but their dignity.

The youngster who poisoned the bait, and the school too, has some responsibility in the horse-play.

It is perhaps a strong comparison, but resentment runs high when pet animals are poisoned. We have seen an entire community aroused when poisoned bait killed one or two dogs. The girl's didn't die, which is fortunate for the young man, the school, and of course, the girls. The lad may have wished a mild form of death for himself before the principal got through with him, according to my informants.

The girls, I am told, are properly chastened and have fore-

## CLEAR THE HALLS

### Quiet Helps Plan Group To Decide

SAN DIEGO (CNS)—The county Planning Commission Friday gave a Lemon Grove property owner permission to build two two-bedroom houses with less back yard and front yard than the law requires, despite the opposition of neighbors.

Harry W. Jones asked the variances for land on Broadway Lane, near Imperial Avenue.

The protests were voiced by Mr. and Mrs. E. Romiguere, based on what appeared to be a long-standing disagreement over an easement. The couple was told that the problem of the easement was not the commission's.

Testimony waxed hot and the commission decided to take the matter "under advisement." Later, when the disputants had left the meeting and the atmosphere had cooled, approval of the variances was voted unanimously.

### School Board Still Open On Insurance

The Lemon School Board heard a continuation of an insurance discussion at the regular meeting Monday night.

Representatives of Firemen's Fund, the group now carrying the district's insurance said that rates have dropped from \$2.51 in 1949 to 44 cents in 1956. The rate now is 77 cents but a refund of 5 cents is scheduled. Insurance rates have dropped 75 percent while construction costs have risen 44.2 percent.

The board asked the firm to make an appraisal of its insured properties. No decision has been reached on the naming of a new broker or a new carrier. John Dail is the broker of record.

The board approved a 50-foot asphalt walk to be built at San Altos, provided the county will share in the expense. Authorization was given for the purchase of a new school bus to absorb part of the September impact. Byron Netzeley, school superintendent, said three to four months is required between purchase and delivery of the vehicles.

### Planners OK Two New High School Sites

SAN DIEGO (CNS)—Two proposed sites for additional high schools in the Grossmont Union High School District were approved Friday by the county Planning Commission.

One site is in Santee and the other on Hillsdale Road, just off Jamacha Road near the community of Jamacha.

In approving the Santee site, between 1st and 2nd streets on Central Avenue, the Planning Commission asked the high school district to donate an additional 20 feet of right-of-way on the north side of 1st Street, which is to be 100 feet wide, according to the county master road plan.

The commission also asked for donations of 20 feet for the widening of Jamacha Road and 10 feet for widening Hillsdale.

The district is not obligated by law to make the requested grants.

TICKET SALESMAN—Ed Schroeder, center, sell the first tickets for the Mt. Miguel High School Boosters Club's drawing to provide lights for the school's athletic field. Willing buyers are Mel Grant, left, principal at Mt. Miguel High, and Lewis Smith, Grossmont Union High School District superintendent. The Boosters Club hopes to raise \$10,000 to provide the lights in time for next fall's school opening. All labor will be donated.

## Peek At Property Values Promised By Assessor

Property owners in the Lemon Grove area will have an opportunity to ascertain their new assessed values when appraisers of the County Assessor's office hold an all day "open-records" session at Lemon Grove Youth Center on School Lane, from 9 a.m. to 7 p.m., April 29. The range of time will permit those who work from 8 to 5 to see their records after regular working hours.

Assessor John McQuilken said the open-records sessions will permit property owners to acquaint themselves with the latest appraisal of their property. New information brought to light by a property owner can still be given consideration by the appraisers at this time, he said.

McQuilken initiated the policy of making it convenient for property owners to view assessment records before the roll is turned over by him.

### 10 AREAS REVALUED

San Diego County areas that were revalued for the 1959-60 assessment roll include Lemon Grove, Del Mar, Solana Beach, Oceanside, Poway, Mountain Empire, Dulzura, Barrett and Hillcrest and southern Mission Hills. Areas to be revalued for the following year include El Cajon, Carlsbad, Imperial Beach and a considerable portion of central San Diego, including the down-

town business area.

Under California laws the assessor must assess property in proportion to its value on the market. Increasing population and more intensive land usage are primary causes of changing property values. Though the upward trend generally has been spectacular, property values have not been changing at a uniform rate. The result is that the assessor must review the entire county at recurrent intervals. Assessor McQuilken's appraisers strive to review each parcel of property (and there are nearly 300,000 in this county) once in each five or six years. They must also place a value on all new buildings and every new parcel of land as it is created. Last year this item of newly created property ran to approximately 12,000 parcels of land and 40,000 improvements of all kinds. The assessor's job is to achieve uniformity in the valuation placed upon all these properties.

### 'ALL MUST HELP'

Tax rates, which are determined later in the year by budget-making bodies (county supervisors, school districts and a variety of special assessment districts), will then be used to fix the amount to tax per hundred dollars of assessed valuation.

"Each unit of property must contribute to help finance our community's standard of living," McQuilken said.

## School Committee Organized To Stump For Election Issue

Mrs. Ernestine Paine of Fletcher Hills has been named to head the newly formed Grossmont Union High School District's Committee for Schools. The committee was organized to inform voters of the need for approval of the school bonds issue at the May 19 election. The committee currently is preparing a speakers' bureau and planning campaign policies.

Goal of the committee is to secure approval to issue \$5 million in bonds and to borrow \$2,750,000 from the state fund in order to build three new high schools, build needed additions to present schools and to buy sites needed for future growth. Three new schools are expected to be needed in the district by 1963 when the district will contain an estimated 6,000 more students than present schools will accommodate.

The campaign, made up of representatives of PTA, Citizens' Advisory Committee, civic groups, the Board of Trustees, and the Grossmont District administration, consists of Mrs. Paine, Mrs. Edna Kouns, William DeGroot, Hart Dunham, Roger Winchester, Carlton Coraway, O. W. Miller, Mrs. Helen Haupt, Ivan Lake, Mrs. William Alwardt, Mrs. Portia Goode, H. G. Hughes, J. T. Warburton, and L. F. Smith.

The campaign will get under way Thursday of this week with presentations by Mrs. Robert Higgins to 10 elementary PTA groups in the Mt. Helix Council.

Other members assisting with the preparations are Mr. and Mrs. Paul Weinstock, Lawrence Helmuth, Clarence Jasmagy, Ben Kiegle, Charles Bray, Richard Peterson, and Eckoe Ahern.

## \$42,000 Federal Funds Allotted L.G. Schools

The Lemon Grove School District has been awarded the sum of \$42,766 for school operating funds pursuant to Public Law 874, it was announced by Congressman James B. Utt (R-28th District).

Schools which are heavily burdened by the impact of federal installations in their area are eligible for financial assistance under this public law.

The amount certified for payment is determined from the tentative entitlement for the fiscal year computed on the basis of information and estimates contained in the application. The total entitlement for the school district for fiscal year 1959 has been set at \$67,084, of which the above amount has been certified for immediate payment. Additional payments will be subject to such adjustments as may be required by actual data and by the availability of funds in relation to total entitlements for financial assistance. Funds available for fiscal year 1959 will require proration of payments at approximately 85 percent of tentative entitlement shown.

## Students 'Pushing' 'Lights' Tickets

Mt. Miguel High students are distributing tickets for a drawing to be held on May 25 at the school. The proceeds go toward the school's campaign for lights for the football field.

The theme for the project is "Light Brigade." Students have collected \$400 in the first week of the campaign. The goal for the school is \$8,000.

Prizes being offered are: first prize, combination camera-projector; second prize, Polaroid Land camera; third prize, a barbecue set. Various gift certificates will also be awarded. Emcee for the event will be Happy Hare, San Diego disc jockey.

## Backyard Swim Campaign Begins

RESCUE TRAINING—Nancy Drew, in the water, gets a simulated rescue assist from Mrs. James Martin, Susan Martin and Mrs. L. Sozzani, left to right, to point up the need for swimming and rescue essentials taught in the Backyard Swim Campaign now getting underway in Lemon Grove and Spring Valley. Mrs. Martin and Mrs. Sozzani are instructors for the local water

safety program co-sponsored by the American Red Cross and the Ninth District PTA. The posed picture above was taken at the pool at the home of Mr. and Mrs. Harold Drew, 3145 Crane Street, Lemon Grove. Additional instructors and pools are needed for the program. Information can be had by calling Mrs. Sozzani, area Red Cross chairman, at JU 3-2526.

## Water Works Official Quits

Bert C. Wilkas, Assistant Chief Engineer for the Helix Irrigation District, has submitted his resignation to the Helix Board of Directors. Wilkas, who asked that his resignation be effective as of June 1, plans to go into private civil engineering practice in Lakeside, where he is now looking for appropriate office space.

## LG VFW Gets OK To Build

SAN DIEGO (CNS)—The way for construction of a Veterans of Foreign Wars auditorium in Lemon Grove was cleared Friday before the county Planning Commission.

The commission, after being told no neighbors objected, gave the VFW a zoning variance to build 27 and-a-half feet from the center line of Citronella Street, 20 feet less than the law requires.

The variance was granted because of peculiarities of the lot. A decision had been delayed for two weeks, to allow VFW officials to get the backing of property owners in the area.

## Ruby Brown Misses \$50 Drawing Prize

Ruby Brown, 2528 Central Avenue, Spring Valley, would have carried home \$50 Friday night if she had attended the Lemon Grove Jackpot Drawing. That was the amount on her ticket which was drawn at the giveaway held every Friday at 7 p.m. in the parking lot at the rear of Dial Drugs.

Other persons' tickets which were drawn but didn't attend were: Mrs. R. J. Larkin, 8005 Longdale Drive; R. V. Armstrong, 8415 Golden Avenue; a Mr. Buckles (no first name given), of 7981 Broadway; and Florence Magliaro, 8022 Mazer Street.

Only three more Jackpot Drawings will be held. The last drawing will be held May 1.

## Crane Drops; No Injuries

George T. Taylor, 28, of 3835 Central Avenue, San Diego, was taken to Helix Hospital, La Mesa, in the Spring Valley Fire Department's ambulance Monday afternoon after the crane he was operating hit a soft shoulder in the 3300 block on Sweetwater Road and toppled over the bank.

According to a report from the Lemon Grove Fire Department, which also answered the call, Taylor had been pinned under his rig. The hospital report stated that he had received abrasions and contusions, but was released after emergency treatment.

The couple will go by Western Airlines and will stay at Wilbur Clark's Desert Inn Hotel. Thirteen gifts of merchandise will be given the winning couple by local merchants. These include:

## Wide Spread On Sewer Bids

SAN DIEGO (CNS) — Only two bids were received for the construction of sewers in the North Costa Bella Street area of Lemon Grove and the difference between the two bids was greater than any seen in recent years.

When the bids were opened before the county Board of Supervisors Tuesday, the engineer's estimate for the project was \$8,238.35. But the first bid, made by Carroll and Mayer, was \$18,556.20.

Supervisors whistled their amazement at the big spread until the bid of Ham Bros. Construction Co. was opened. This was for \$7,707.50.

"Was that first bid for \$18,000 or \$8,000?" asked Supervisor Dean E. Howell.

The clerk of the board, Mrs. Helen Klekner, re-read the first bid, which was still for \$18,556.20. The supervisors then referred the two bids to the Department of Public Works.

## Memorial Rites Honor Former LG Resident

Memorial services were held recently for Lt. (jg) Roy T. Magnuson, 34, who died last month in Germany after contracting a fever in Morocco. Lt. Magnuson was the son of Mrs. Theresa Magnuson of Lemon Grove.

Lt. Magnuson was a native San Diegan and attended Grossmont High School before joining the Navy in 1943. He was serving with Fleet Tactical Support Squadron 24 at Port Lyautey, Morocco, when stricken and was flown to Germany for hospitalization. He was promoted to lieutenant, junior grade, last September.

Besides his mother, he is survived by his widow, Frances, and two sons, Eric, 10, and Gary, 5.

He was buried in Ft. Rosecrans National Cemetery with full military honors.

This poem, written by one of the men Lt. Magnuson served with in Morocco, was one of several sent to his mother in Lemon Grove:

I wish that I could find the words,  
To ease your sad and heavy heart,  
But words all seem so useless now,  
They only play a minor part.

God gives us all the breath of life,  
And when He calls He takes away.  
He made this world our testing ground,  
He never meant that we should stay.

Roy has done his work on earth,  
It must have been his time to go,  
But he will be remembered long  
By those who really loved him so.

Roy had fought a real hard battle,  
It wasn't meant for him to win,  
God has called him home, you know,  
Just so he can be with Him.

He's free from all the cares of life,  
His aches and pains shall ever cease,  
God has called him home, you know,  
And there he'll live in perfect peace.

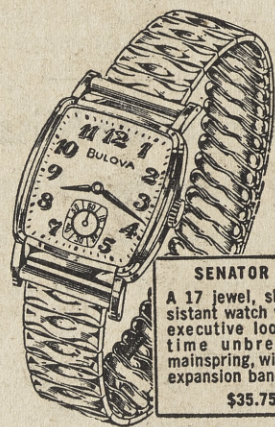

So do not be down-hearted now,  
Just fill your heart with grace,  
Roy will live and be content,  
For he has found a better place.

## Grove Actress Has Juicy Role In Old Globe Play

Tyler Winn

A Lemon Grove woman, Miss Tyler Winn, of 1410 La Corta Circle, has the coveted title role in the Old Globe Theatre production of Tennessee Williams' play, "Streetcar Named Desire."

Miss Winn, an engineering vault clerk with Ryan Aeronautical Co., was stage manager of the national road show company starring Judith Evelyn for 1½ years. She later managed the show in New York when it featured Uta Hagen and Anthony Quinn.

According to Ryan Aeronautics, the company newspaper, Miss Winn is a veteran of 12 years in show business prior to joining their firm. She began her stage career in summer theatre on the east coast and her first professional effort was in Jose Ferrer's New York City Center of Music and Drama, where she performed in several plays before turning toward the production end as Ferrer's assistant.

When the La Jolla Playhouse was opened, with Mel Ferrer as one of the producers, she was

## Local Majorette Awarded Honor

She will be honored at a banquet Thursday night of this week at the National City Community Building.

Dena was selected from contestants who were judged on skill, beauty, personality and showmanship. Emphasis was placed on contestants' 1958-59 record as a twirler in major contests and parades. Dena has won 36 awards, trophies and medals during the past year in solo baton, twin baton, interpretative baton, strutting, showmanship and flag twirling.

She won a first place award last year at the Maytime Band Review when she led the Lemon Grove Junior High School band as twirling drum majorette.

## Guthrie's Takes Lease At College Grove Center

Guthrie's Children's Shop has leased a 3,000 square-foot store in the College Grove Shopping Center, it was announced this week by Mervin L. Blum, manager of the center.

According to Blum, who represents the leasing agent, Phillip Lyon Co., this will make the third store in San Diego County to be opened by the El Cajon-based children's merchandiser, Robert W. Guthrie. Guthrie's other two shops are in El Cajon and Ocean Beach.

College Grove Center is presently under construction at Freeway 94 and College Avenue. Its completion is scheduled for mid-1960. The center is being built on a 70-acre site with over 650,000 square-feet of store area. When completed, it will have 80 stores and parking facilities for 6,000 cars.

The play's setting is in New Orleans' poorer section where drinking and wife-beating is the rule rather than the exception. Uninhibited sex, as you may imagine, is a major ingredient of the play's background.

The play, one of the better performances of the season, is definitely not recommended for youngsters.

## Pre-School Children Eye Testing Program Volunteers Begin Training

Between 40 and 50 volunteers from PTA units of Mt. Helix Council will attend a two-day training course this week to prepare for a pre-school vision testing program in this area. The training session will be held at the Central Congregational Church in La Mesa from 9:30 a.m. to 2:30 p.m. Thursday and Friday of this week. Mrs. Joseph Downing, executive director of the California Chapter, National Society for the Prevention of Blindness, Inc. will instruct the group.

After completing the training, the volunteers will do the actual testing of preschool youngsters in this area. It is hoped that all parents of children between the ages of three and five will have their children's eyes tested. There

is no charge. During the testing, children found in need of further attention will be referred to a doctor of their choice.

The vision testing program is a project of Ninth District PTA and is under the general chairmanship of Mrs. I. J. Bieri, Ninth District preschool chairman. Mrs. Paul Nystrom is chairman of the project in Mt. Helix Council, assisted by Mrs. Robert Higgins and Mrs. J. H. Jensen. The testing is a pilot project for a limited area and will be conducted on a wider scope in the future.

Actual testing will begin next week when volunteers will be at several nursery schools. Testing centers will be set up in this general area the following week. Time and place will be published at a later date.

The Mt. Helix Council area is composed of the elementary schools in La Mesa, Lemon Grove, Fletcher Hills, Murray Manor, Casa de Oro, and Spring Valley.

## Matador Nine Still Tops In League Race

by BILL OTT

The Mt. Miguel Matadors baseball team remained undefeated last week in Metro League play to stay on top and share first place with the Escondido Cougars who defeated the Helix Highlanders 9-8 Friday.

Mt. Miguel defeated Helix 7-6 April 7 in 10 innings on the Helix High field. Homeruns by Doug Potts and John O'Conner paced the Matadors to victory. Potts' homerun came early in the game, but O'Conner's came in the 10th inning with the score deadlocked at 6-6.

Jeff Cox started the pitching chores for the Matadors but was relieved by Larry Smith in the late innings of the game. The winning pitcher was Smith.

Box score:  
Mt. Miguel—7 runs, 9 hits, 3 errors.

Helix—6 runs, 7 hits, 8 errors.

The Matadors' winning streak was broken Friday by the San Diego State freshmen in a non-league game on the Matador field. The Aztecs nipped the Miguel nine 10-9. Pitching for the Matadors were Bill Leffer and Rich Whisman.

The Mt. Miguel tennis team was defeated April 7 by the Helix High tennis team 2-6 on the Helix courts.

The Grossmont Foothillers' track team Friday smashed the Mt. Miguel track team 80-24 on the Grossmont cinders.

## WWI Veterans Plan Auxiliary

The Veterans of World War I, Foothills Barracks 1774, will meet at 8 p.m. Monday in the Spring Valley Chamber of Commerce. Preliminary plans for the formation of an auxiliary will get underway.

William Doughman, commander, says the charter will remain open until May 24. Doughman said, "Remember, buddies, it's later than you think. The average age of World War I veterans is 65, and they are answering the call of the Great Commander at the rate of 350 a day. Your membership is needed to support Bill HR-1181, now pending in Congress, to benefit all World War I veterans."

Foothills Barracks 1774 is still in need of old newspapers. For information about picking up papers, etc., call HO 3-4680 for the Lemon Grove area, and HO 6-2112 for the Spring Valley area.

## Eastern Star Group Plans County Affair

Past Matrons and Patrons Association of San Diego County, Order of the Eastern Star, will hold its annual Spring Festival Card Party April 25 at 7:30 p.m. in the East San Diego Masonic Temple, 3879 43rd Street.

Mrs. Addie Lynch is general chairman for the spring event and will be assisted by the past matrons and patrons of the Coronado chapter. Reservations may be called to Mrs. Julia Dixon or Mrs. Lynch of Coronado or Mrs. Warren Bennett, Mrs. Robert Stallings, Mrs. Henry Gabbe, or Mrs. John Fielder of San Diego. Members and guests are asked to bring cards or games of their choice. Mrs. Dixon, president, is chairman of the table prizes.

## Mt. Miguel Junior Wins At State Speech Finals

Joan Hoffman, Mt. Miguel High junior, competing with 59 other students from the county, was awarded first place in the dramatic interpretation division of the National Forensic League's qualifying finals at San Diego State College on April 2, 3, 4.

The 10 Mt. Miguel students making the semi-finals who, with Joan, will be eligible to compete in the state finals on Friday and Saturday of this week at Occidental College in Los Angeles are: Dee Baranowski, extemporaneous; Linda Denlinger, dramatic interpretation; Kathy Diederich, original oratory and oratorical interpretation; Penny Estes, extemporaneous and impromptu; Sue Estes, extemporaneous and impromptu; Ellie Hafdel, oratorical interpretation; Larry Johnson, extemporaneous; Linda Thompson, humorous interpreta-

tion; and Perry Tuve, humorous interpretation.

The Occidental meet will include all qualified speech contestants from Southern California. In order to qualify for this event, students had to place first and second in their section, in competition with the 60 best speech students in their county.

W. R. Sanders, speech coach at Mt. Miguel, commented, "It was a very well-run tournament and San Diego State did an excellent job. I am very happy in qualifying one person for the state finals. Although some of our main strength was not there, we have a good chance of qualifying at Occidental."

Of the 18 schools entered in the San Diego competition, only nine contestants qualified for the Occidental state finals.

## School Choir To Perform

The Mt. Miguel High School Concert Choir will present Schubert's "Mass in G" April 24, 8 p.m., at the La Mesa Methodist Church, Palm at Lemon in La Mesa.

Robert Boucher is director of the Concert Choir. Miss Valerie Maschner will accompany on the organ. Local 325 of the American Federation of Musicians has provided the orchestra.

Soloists for the performance are: sopranos: Celeste Loustalet, Judy Taylor and Jackie Mouillesseaux; Pat O'Gara, tenor; and basses, Bruce Edenfield and Bob Whitaker.

There will be no admission charge and the public is invited.

## LG Camp Fire Girls Plant Trees At San Altos School

TREE PLANTING—Sheila O'Connor, left, presents one of 20 trees donated to San Altos Elementary School last week by local Camp Fire Girls to Michael Long, student body president. Other Camp Fire Girls shown are Bobbie Kida, second from left; Linda Irvine, third from left, and Maurine Kerrigan, fourth from left.

To celebrate the "Golden Jubilee" of the Camp Fire Girls, the O-Ki-Ci-Ap-I group of the Lemon Grove Camp Fire Girls Friday planted 20 Brazilian pepper and silk oak trees on the barren grounds of the San Altos Elementary School. The group's name is Indian and means "Helping One Another."

Presenting the trees for the Camp Fire Girls was Sheila O'Connor. On hand to accept them was Student Body president Michael Long and school principal Douglas Giles. Camp Fire Girls who took part in the plant-

ing program were: Eva Abaora, Lauren Dye, Linda Broyles, Bobbi Kida, Lola and Linda Tuftland, Isabel Lopez, Sandra Woro, Maureen Kerrigan and Sheila O'Connor.

Guardian of the group is Mrs. C. T. O'Connor and assistant is Mrs. Paul Kerrigan. Slogan of the Golden Jubilee (50 years in 1960) is "She Cares—Do You?"

## Grads To Get Diplomas With 'Distinction'

Top-ranking graduates of San Diego city high schools this year will have an opportunity to earn diplomas indicating they have been graduated—"With Academic Distinction."

Under a new plan approved by the Board of Education, the special diplomas will be issued to all students who graduate after having earned 14 or more As and Bs in a designated list of "differentiated curriculum" courses.

Dr. George V. Hall, assistant superintendent, in a report to the Board of Education, said the list includes only courses "that require a high degree of intellectual competence and effort and have a tradition as college preparatory courses."

## Fashion Show, Swim Party Set At Carmen Club

An afternoon fashion show and swim party will be presented Monday of next week at the Carmen Ranch Club by the club's swimming team. Club members will model bathing suits, play clothes and summer casuals by J. C. Penney stores at the event scheduled to start at 12:30.

Casual living and wear will be the theme for the show and swimming and refreshments will be enjoyed. Mrs. Midge Yale and Joyce Phillips are chairmen for the affair. Proceeds will be used for swimming team expenses this summer.

Tickets are being sold by club members and can also be obtained at the club located on Sweetwater Road, two miles south of Lemon Grove. Donations are \$1.

### BLOOMING PICTURES

It takes seed, fertilizer, patience and plenty of plain hard work to make a garden full of flowers grow. Only trouble is all your efforts disappear into the compost heap come fall... unless you add a camera to your gardening tools.

You'd be surprised how much fun a camera can add to your gardening. For instance, you can make it a project to take periodic color slides of your flower beds. Then when the growing cycle is complete, you can project the slides and see your flowers go from seed to bloom in a matter of minutes. It's quite a thrilling sight.

Or you can use your camera as many photographers do to take close-ups of their best blooms. Imagine seeing a prize rose of yours filling a big projection screen and drawing "ohs" and "ahs" from your audience.

Best of all, the slides you take during spring and summer let you enjoy your garden right through winter.

What camera do we recommend for "gardening"? For rugged design and easy handling, the Kodak Pony II is hard to beat — and it's quite a buy at just \$29.95. You can count on the Pony Camera to take beautiful color slides that will do full justice to your green thumb.

Stop in soon so your garden photo story can begin right at the start of the growing season.

## Privacy Given Men In Shoe Department

A men's department has been opened at Purtee's Shoes, 7741 Pacific Street, Lemon Grove.

Ray Purtee, store proprietor, said most men gravitate to the furthest corner of a shoe store in the interest of privacy, so the men's section was built in one corner of the store. Plenty of men's magazines are on the center table there and the department is surrounded by a bamboo fence.

## LET US ALL PRAY TOGETHER AS A FAMILY

### TURNING POINT

What really happened in the resurrection of Jesus? Was it just the "fantastic" story of a man coming back to life? No! It was far more than this. It was the turning point of all human history. We are no longer enslaved to the power of evil. "Do not be overcome by evil, but overcome evil with good," said St. Paul. The powers of evil put Jesus upon the cross, and for the moment, on Good Friday, it looked as though these powers had won. But then came the resurrection morn, and the superior power of God changed the verdict from "death" to "life." And so we now live in the knowledge that even though the power of human evil looks great, it has already been finally defeated by God Himself.

## Bake Sale Slated

The Lemon Grove Junior Chamber of Commerce will hold a bake sale at 9 a.m. Saturday of this week in front of Marsi's Store. Cookies, cakes and pies will be featured.

The  
Dimmer  
VIEW(Continued)  
sworn future filching.

We're not soliciting business for the medical offices of Drs. Thayer Crow and Jack Tracy but there is an aura of good fortune surrounding the establishment right now.

Two weeks ago Nurse Ruth Marie Leone of the same office won \$860 in the Booster's Club prize drawing. Last week Nurse Jerry Goldstein of the same office won the \$1,000 prize in the door prize drawing of the Parent's Guild of St. John of the Cross Church.

Mrs. Leone's husband, Joe, is a clerk at the Lemon Grove post office where his boss Postmaster Frenchy Faucher is the one who won the new Ford given away a couple of years ago by the Swimming Pool Association at an affair at the Rodeo Grounds at St. John of the Cross Church.

Intriguing, isn't it?

We are in possession of a news release from John E. Carr, state director of employment that lifts the eyebrows a little... at least \$28,500 worth of lift.

He says that by his department conforming with Governor Pat Brown's economy policy he has cancelled all scheduled meetings, conventions and other activities calling for the absence of Department of Employment personnel from their assigned posts.

This will save \$28,500 in travel expenses and 14,375 man hours of time from duties the first six months of this year.

He said a resubmission of requests must be made before authorization is granted in the future.

All that is fine unless authorization is granted upon resubmission of requests of 14,375 man hours and \$28,500 worth of travel expenses.

Dial Drugs Now Served By  
Largest Chain In World

BARGAINS GALORE—Manager Don Wooldridge, left, and Dick Thomson, owner, scan an advertisement that appears elsewhere in this edition of the REVIEW for the many 1 cent sale items offered at Dial Drugs, 7961 Broadway. The two-year-old drug store has been designated a Walgreen agency. Walgreen is the largest drug chain in the world. Dial Drugs is celebrating the occasion by holding a six-day 1 cent sale.

Dial Drugs, 7961 Broadway, has been designated an agency for Walgreen, largest drug chain in the world, Dick Thomson, Dial Drug owner, announced this week. The local store is celebrating its new affiliation by conducting a 1 cent sale Monday through Saturday of this week.

Thomson said the Walgreen affiliation was made through Walgreen's western states supervisor, Vince Karson, when he visited here recently. The huge drug chain, serving thousands of stores in other parts of the country, has only recently entered the Southern California area.

Thomson said his store will be able to offer customers greater savings, larger selections and quality products because of the hookup with the chain. Dial Drugs is the first store in the area to offer Walgreen products.

The local store plans to enlarge in the future, Thomson announced. The store employs nine persons and is open from 9 a.m. to 10 p.m. seven days a week. Ample parking is provided in the rear of the two-year-old store.

Dr. Brumbaugh  
Attends Medical  
Meeting In S.F.

SAN FRANCISCO (Spcl.) — Dr. Simon Brumbaugh of Lemon Grove, attended a meeting of more than 4,000 family doctors here all of last week at San Francisco's Civic Auditorium.

Doctors from every part of America take part in the annual Scientific Assembly of the American Academy of General Practice. This was the 11th such convention.

The Academy is headquartered in Kansas City, Missouri, and has more than 25,000 members. It is the nation's second largest medical association.

At the convention Dr. Brumbaugh heard 28 of the nation's top medical authorities discuss new developments and progress in the fields of therapy and diagnosis. On display also were 106 scientific and 302 technical exhibits reporting research results, new drugs, equipment and instruments.

The Academy is the only medical association which requires every member to continue his medical education. Rapid medical progress, the Academy believes, makes it necessary for the doctor to keep learning. For this reason, every member must complete 50 hours of postgraduate study per year.

## ARIZONA BOYS CHORUS TO SING HERE

The Arizona Boys Chorus of Tucson will appear at Hoover High School auditorium Saturday night at 8 o'clock in a benefit performance sponsored by the four Episcopal day schools of the San Diego convocation.

The Boys Chorus has toured the United States several times and Europe. Their appearances include the Ed Sullivan Show twice, and a concert in New York's Town Hall.

Most of the songs they sing are western, although folk songs, ballads and religious songs are included. Sound effects and trick roping during the western numbers help to keep them the most popular with the audiences.

Reserved section is \$2 and general admission is \$1. Tickets are available at the schools or at the box office the night of the concert. Hoover High School is at 4474 El Cajon Boulevard in San Diego.

## HID Changes Filing Policy

Residents who file for annexation to the Helix Irrigation District in the future will be charged at the time of filing, the district's board of directors decided last week. Property owners had been charged with the fee only after annexing to the district.

The board of directors voted to charge applicants \$250 if their land is included in the County Water Authority and the Metropolitan Water District and \$500 if their land lies outside the two water agencies.

The action was taken to protect the Helix Irrigation District from making expensive engineering studies for applicants who later decide not to annex to the district.

## WHAT'S DOING

W. H. Parker, your Telephone Manager in La Mesa

Ever counted the steps from the kitchen to your phone? Try it. 15 steps? 20? 30? Even if you get only 3 calls a day during kitchen hours, a kitchen extension would save you 16,000 to 33,000 steps a year! It lets you go right ahead with your work when the phone rings, too. No turning off the stove and running through the house to answer the telephone. And if you're planning to move soon, you can save money on the installation cost of extensions. The charge to move your present phone covers the installation cost of all the extensions you'll need in your new home.

John M. Dower, La Mesa deskman enjoys talking to friends and customers alike. John was installed this month as president of the Mt. Helix Toastmasters group. A member of the group two and one half years he has won contests here and in the Telephone Company Toastmasters too. He was born in Liverpool, England, started with the phone company in 1941. He enjoys talking with many Hopkins customers each day from his control panel in the La Mesa phone office.

## Square Dance News . . .

### COUNTRY COUSINS

Routine events are scheduled for the April dances held by the Country Cousins except one—the guest caller for Saturday who will be Chuck Carroll.

The group plans a picnic in July. Dances are held at La Mesa Junior High School every Saturday.

### JUNIOR LEVIS AND LACES

The Levis and Laces (junior grade) have combined the Teen-Age and Pre-Teen clubs to give both clubs an added 30 minutes of dancing time.

Dances are now held from 6 to 8 p.m. each Thursday at the Woman's Club clubhouse in Lemon Grove.

The club is honoring R. L. Jump, 7848 Alton Drive, for serving as chairman of the group during the hospitalized absence of Joann Mandrell.

### PROMENADERS

Jack Schmitke was named winner of the final preliminaries for the Promenaders' amateur callers contest held April 1. Entries in the last round were: Ken Eberwein of the Frontier Squares; Bill Ott Jr. of the Gadabouts; and Schmitke of the Kactus Kickers.

Schmitke will compete with Jim Clark and Rich Richardson on Wednesday of this week in the finals. A prize will be awarded to the winner.

Frank Dyson was club caller at the last Promenaders' dance at the Spring Valley Chamber of Commerce. He was assisted by guest callers Al Rider, Stan Bryan, Ron East, Ken Eberwein, Janey Bryan and Ray Devin.

### FRONTIER SQUARES

The Frontier Squares are planning a "Knothead" trip to Long Beach on Saturday of this week. They hope to have as many of the club who have already made a trip as well as the new ones who have just graduated.

The regular fourth Saturday dance is party night. Hosted will be Paradise Eight and Swinging Stars. The theme is Hawaiian so members are asked to wear their best grass skirts and leis or regular western clothes. The party night will be held at the same old time and place: Spring Valley Junior High at 8 o'clock. A workshop will be held until 8:30 where all the newest calls and steps are learned. Dancing lasts until 11 p.m. Wild Bill Keller will call.

### GADABOUTS

The Gadabouts are inviting teenagers to take part in their instruction classes held Wednesdays from 7 p.m. to 8:30 p.m. in the Mt. Miguel High School cafeteria. A fee of 25 cents is made at each meeting. Next year's Mt. Miguel freshmen are especially invited.

The Gadabouts have made several trips throughout California by chartered bus during the past two years.

The Gadabouts are co-sponsored by the Mt. Miguel Boosters Club.

## Delta Zeta State Confab Scheduled This Weekend

**COVETED TROPHY**—Mrs. Willis Carr, left, of 2090 Madera Street, Lemon Grove, shows Mrs. Theodore E. Sladek of 7375 Beryl Street, Lemon Grove, trophy which will be awarded this weekend to the "most outstanding" Delta Zeta sorority member in the state. The presentation will be made during the sorority's State Day Convention Workshop at the Lafayette Hotel.

Delta Zeta sorority's State Day Convention Workshop, to be held Friday, Saturday and Sunday of this week at the Lafayette Hotel, will be produced like a national convention, but on a smaller scale. Mrs. Delta M. Boren, alumnae chairman, has announced.

This is the first time the San Diego Delta Zeta group has been hostess to a State Day convention. Another first for this convention is a fully planned workshop for parents' clubs.

All the parents' clubs of the local province won awards at the national convention last June in Chicago.

Friday has been set aside for delegates and their families to visit points of interest in San Diego and Mexico. Parties for delegates from each of the California universities will be held in homes of local Delta Zetas.

State parties for delegates who were graduated from other universities are being planned. Mrs. John Fitzpatrick of La Mesa is chairman of the parties.

### 'AIM, ACT, ACHIEVE'

A brunch is planned for Saturday, followed by a tea given by the Parents' Club of the San Diego Collegiate chapter. Mrs. Fred Kelleway, national alumnae director, will be a speaker at the awards banquet. She has chosen

### Mrs. Marsh To Be Installed As Sorority Head

Installation of officers for the coming year will be held. Taking office will be Mrs. Joseph W. Marsh, president; Mrs. Perry E. Seely, vice president; Mrs. Robert E. Bond, secretary; Mrs. Ray Huizinga, treasurer; Mrs. Michael J. Saliba, historian and press; Mrs. Guy D. Combes Jr., Panhellenic representative; and Mrs. Hugh L. Huffman, parliamentarian. They will be installed by Mrs. Ernest Bihler.

## Goodwill Now Employs 200, Says Speaker

Wilson Thomson, assistant chief appraiser of the County Assessor's office, will be speaker Friday at the Men's Club when it meets at noon at Michael's.

Thomson will discuss the impact of the recent re-appraisal program conducted in Lemon Grove and other areas in San Diego County.

Last week, Charles Spisak, assistant executive director of

Goodwill Industries, gave a round-up of the organization's activities. Spisak, who lives in Lemon Grove at 1680 Taft Street, has been with Goodwill eight years.

He said Goodwill now employs 200 persons. Mostly all are handicapped physically, mentally or socially. A payroll of \$10,000 a year is met through the sales of contributed merchandise. \$200 a day comes in from an "as is" yard downtown where things that are too far gone to be salvaged are displayed.

Spisak said Goodwill has daily chapel services with 99 percent attendance of employees.

He recounted some amusing experiences too. Such as the time drivers picked up a slot machine. San Diego police confiscated it before anyone at Goodwill could decide whether it had a resale value. \$600 was once returned to an owner who left the money sewn in some clothing, but \$5,000 was never recovered by a widow who hid the money in an overstuffed chair and attempted to recover it six months after giving it to Goodwill. The chair was traced to a dealer in Tijuana, but he denied knowledge of the dough.

Spisak asked for continued assistance from area people, reiterating again that it's "not charity, but a chance" that is wanted.

Jesse Lee is president of the Men's Club.

## LETTERS TO THE EDITOR

Dear Editor:

Since many people have been reading your articles "plugging" the stadium lights at Mt. Miguel for our youth activity area we thought perhaps a briefing on the formation of this idea might be in order.

Tom Welbaum, athletic director and football coach at Mt. Miguel, who has spent 18 years teaching high school students, became very discouraged when two years had passed at Mt. Miguel and the injury list was mounting steadily from the concrete-like surface of the only practice area the football team had at school. In just a few scrimmages many serious injuries occurred.

Mr. Welbaum has spent his entire career thinking only of his boys and what would be best for them; has spent countless hours on Saturdays, evenings and summer vacations when he could have been a salaried worker, trying to better conditions for boys.

He's actually provided shoes, clothing and food for needy boys plus actual financial outlay when he deemed it necessary, or materials which could not be pur-

chased through school funds. He finally found a wonderful group of parents, who believe in more than tangibles, who formed a Booster Club and asked him to be their advisor, all with the permission of a very understanding superintendent, Mr. Lewis F. Smith (a former football coach), who understands exactly what these boys need and the inability of his school district to provide what many sections of our country feel absolute necessities.

These parents are beginning with the lighted youth activity area . . . have already installed the gym with a movable sound system on pulley, and donated \$200 towards a fence to be used in Pony League summer baseball and school activities and want to continue (after this field project is successful) to provide help wherever it is needed at the high school—equipment for science labs, books for the library, help to the band and materials for classroom use that teachers feel necessary but school budgets cannot afford.

To the Booster Club this is more than a drive for a lighted stadium; it is merely the begin-

ning of many wonderful things to help the youth of our community, boys and girls alike, so the success of this venture is a real necessity.

Publicity Chairman

pursuance of the Improvement Act of 1911 and amendments thereto.

The contemplated work and improvement hereinbefore mentioned is, in the opinion of said Board of Supervisors, of more than local and ordinary public benefit and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Board of Supervisors does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to wit: All that real property in the County of San Diego included within the exterior boundary lines of said district, as shown upon that certain map bearing number 6023, indicating the exterior boundary lines of such district, which map, approved by said Board of Supervisors, is on file in the office of the Clerk of said Board of Supervisors of the County of San Diego as Document No. 259906, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said map for a particular description of such district.

It is the opinion of said Board of Supervisors that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

NOTICE IS HEREBY GIVEN that on Tuesday, the 28th day of April, 1959, at 11:00 o'clock a.m., in the chamber of said Board of Supervisors of the County of San Diego, Room 310, City and County Administration Building, 1600 Pacific Highway, San Diego, California, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Board of Supervisors and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

Such protest, if any, must be in writing, and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same, and shall be delivered to and filed with the Clerk of the Board of Supervisors of the County of San Diego, in Room 306 of said City and County Administration Building, not later than the hour hereinabove set for hearing. No other protests or objections will be considered.

The Clerk of this Board of Supervisors is hereby directed to cause this Resolution of Intention to be published twice in the Lemon Grove Review, the newspaper hereby designated for that purpose by this Board.

The Clerk of this Board of Supervisors is hereby directed to mail notice of the adoption of this Resolution of Intention, postage prepaid, to all persons owning real property proposed to be assessed, whose names and addresses appear on the last equalized County Assessment Roll, or as known to said Clerk, all in the time, form and manner required by law; if property assessed by the State under Section 14 of Article XIII of the Constitution is proposed to be assessed, such notice shall be mailed to every owner of such property at the address thereof shown on the last board roll transmitted to the County Auditor as required by Section 5070, Streets and Highways Code.

The Clerk of this Board of Supervisors shall, upon completion of the mailing of said notices, file with this Board an affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

The Superintendent of Streets shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the Clerk of this Board of Supervisors an affidavit showing the posting of said notices of improvement.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," and amendments thereto.

**Golden Ave.**

by Evelyn Lauritzen  
Last Tuesday, Pan American  
Day, Golden Avenue students  
again entertained their friends  
from South of the Border. Golden  
Avenue students and students  
of the Lazaro Cardenas School  
in Tijuana have exchanged visits  
for six years in the belief that  
Pan American solidarity must  
have as its base the friendship  
of the individual people within  
Pan American countries.

Mrs. Graciela Sierra, a sixth  
grade teacher at Lazaro Cardenas  
Schol, made arrangements South  
of the Border. Mrs. Sierra and  
her husband do a great deal on  
both sides of the border to ce-  
ment Mexican-United States  
friendship.

Mrs. Sierra accompanied a  
group of 30 students and three  
other teachers. The group visit-  
ed classrooms in the morning,  
had turkey dinner with individual  
hosts and hostesses in Golden  
Avenue cafeteria, and attended  
an assembly with local sixth  
graders.

Mrs. Cynthia Ketchum, from  
the San Diego Zoo, talked to the  
group in an assembly and show-  
ed films of South American ani-  
mals.

The visitors brought along  
large silk flags, hand made and  
hand painted, of all the Pan Am-  
erican countries. The flags were  
made by Mrs. Sierra's students.  
Displayed on standards on the  
cafetorium stage, they provided  
an appropriate and colorful back-  
ground for the Pan American  
Day program.
